BOWLING NEWS

Great Sensation.

The greatest sensation of the Elks
Duck Pin League was sprung at the
Elks' club Thursday evening when
"Bill" Morris's team met and defeated
Captain John Parker's team by 324
pins. There were a few good records
already hung up in the league before
last night but when the smoke had
all cleared away after the three
games last night, it was found that
Morris's team had copped all the
records to date.

Tom Shaw, of Morris's team, was
the bright shining star of the even-
ing. Shaw took the high score for
one game away from Captain Carter
when in the second game he rolled
150 while the previous high score
for one game was 144.

The high average for three games
was taken by the Morris's when they
rolled 562 in the first and 538 in the
second with 567 in the third making
a grand total of 1667 for the three
games, which is the highest total
ever rolled by any team in this city.
Not a man rolled 300 in the three
games for Captain Parker, while Dr.
J. E. Stone was the only man on
Parker's team to get 100 during the
entire evening's rolling. That the
Elks' league is one of the most in-
teresting ones ever gotten together
is being evidenced by the fact that it
is mighty hard to pick a winner.
Previous to last night Morris's team
had lost six games straight and had
not won a single game.

Tonight Captain Carter's team will
meet Captain Craig's team and another
interesting and amusing contest is
looked for, one which will draw many
spectators to the alleys to see the
bowlers perform. The scores:

Parker's.			
Parker	89	76	86—251
Stone	99	101	84—284

son, both members of the Crystal
team.

Jackson won the prize for the high
average in duck pins, having a total
of 397, giving him an average of 132
for the three games. Drake totaled
634 in ten pins, giving him an average
of 211, which is not bad for an old
times. Scores:

A woman attendant from the
state hospital for the insane at Wes-
ton came here Thursday from Wes-
ton and took Mrs. Elizabeth Sheets,

night. Both had been adjudged in-
sane and had been committed to the
hospital. Constable William Post
brought Mrs. Sheets to Clarksburg

Could Not Straighten Up

A Peculiar Condition Removed.

Some time ago I was troubled with
pains in the back and kidneys, at
times could not straighten up after
bending over. Came to the conclusion
that it was my kidneys. Read Dr.
Kilmer's advertisement and made up
my mind I would try Swamp-Root.
During the time taking the contents
of two bottles I passed two gall stones
of quite good size. Today I am free
from pains in the back and kidneys
for Dr. Kilmer's Swamp-Root removed
all the difficulty, and I can now go
about my work and have no trouble
with my back or kidneys. I will glad-
ly recommend Dr. Kilmer's Swamp-
Root to any one suffering from kid-
ney or liver trouble. You are at lib-
erty to publish this, if you so desire.
